#### THE BASEBALL VISIT.

Programme of the Day's Events.

Following is a list of to-day's events, following the issue of this paper, provided the Spalding baseball tourists shall have arrived:

1. After breakfasting at the Hotel the party will at 10 o'clock be presented to His Majesty the King.

2. At noon a light lunch will be taken by the players at the Hotel.

3. The whole party will assemble at the Makiki recreation grounds at 12:30, when the teams will have practice of fifteen minutes each.

4. At sharp 1 o'clock the game will be called between the Chicago and All-America teams, and at the close of the match a game of probably five innings will be played by the winning team in the above and a picked local team.

5. A grand luau tendered the tourists and resident invited guests, by His Majesty, Hons. John A. Cummins, Saml. Parker, John Ena, and Mr. George C. Beckley, will be held upon Her Majesty's premises, corner of Queen and Punchbowl streets, at such hour in the evening as will prove most convenient.

6. Wind and weather being favorable, there will be a balloon ascension from the Makiki grounds by a skilled aeronaut, who will ascend one thousand feet and from that awful height leap to the earth with the aid of a parachute.

7. Merchants are requested to close at noon, and also to display flags.

The grand stand belonging to the ball grounds is reserved for ladies. Mr. Thos. Lucas has provided a stand for which an admission fee will be charged. Admission to the grounds will be free. People in carriages are requested to head their horses toward the fence. Score cards will be for sale on the baseball grounds, the same kind of cards as are used on the Chicago grounds, at 10 cents each.

#### The Alameda.

Up to the hour of going to press, there was no sign of the Alameda, although she could probably be seen twenty miles off at 7 o'clock this morning, had she been within that distance. A large crowd, including the band boys, have been waiting at the Beaver Saloon, since daylight, for the signal to start off in the the baseballists, to have the tug Eleu. The weather during the as flag hoisted at the mizzen for night was showery and wet, but will night was showery and wet, but will probably be clear during the day.

Liquor Traffic in Africa.

At the late missionary conference in London, Rev. W. Allen gave startling statistics as to the African liquor traffic which he characterized as a mission agency of Satan. At Sierra Leone 180,-000 gallons of intoxicants were imported last year and at Lagos 1,213,000 gallons in the same time. The last three resolutions adopted at this convention favored a petition to Parliament to stop the opium trade with China, that measures be taken to prevent the flooding of the Congo country with strong drink and to stop licensed vice in India.

#### What Boys Can Do.

The boys in the employ of the Woman's Temperance Publication Association, Chicago, have placed a tank of ice water for free drinking purposes in Arcade Court.

Hon. David I. Robinson, the ex-mayor of Gloucester, Mass., who being unable to dissuade the board of aldermen from M. Vinont, made insane by exgranting liquor licenses, resigned

### GUNNING ACCIDENT.

Mr. A. A. Montano Loses His Left Arm. While Mr. A. A. Montano, the wellknown dairyman of Manoa Valley, was hunting pigs on the ranch of a Portuguese neighbor yesterday, his gun was accidentally discharged and the load took effect in his left arm. He was taken to the Queen's Hospital, where amputation of the arm between the elbow and wrist was found necessary. The operation was performed by Drs. McKibbin and Wood, and the patient was likely to survive the injury.

#### A Card.

Mr. E. E. Mayhew, keeper of the Opera House, has been much annoyed about the reported loss of a diamond pin from a dressing room, and desires to state that the article was found on Friday in the lady's trunk where it had been left.
